

## **Sponsorship Invitation for the UACS Fall 2025 Conference**

The Utah Association of Community Services (UACS) invites mission-aligned organizations to sponsor our Fall 2025 Conference, taking place October 23–24 at the Zermatt Resort in beautiful Midway, Utah. This annual event is the premier gathering of disability service leaders, providers, and advocates from across the state. With a focus on *The Evolution of Disability Services: Workforce, Innovation, and Policy*, the conference will explore cutting-edge strategies and system-level change that advance services for individuals with intellectual and developmental disabilities (IDD).

We are seeking sponsors who share our deep commitment to strengthening the disability service system. Sponsorship opportunities are limited to organizations whose products, services, or missions meaningfully contribute to improving the lives of people with IDD and those who support them. As a sponsor, you will connect directly with executive leaders, program managers, and stakeholders who are driving change in our field—while demonstrating your dedication to a more inclusive, person-centered future. Let's work together to elevate innovation, promote excellence, and support Utah's disability services community.
